Dear Mr. Foster:

This letter is to advise you that I would like to appear in front of the Board that oversees the Winneconne Industrial Park. I understand that the next meeting will be held on May 17, 2016.

I have an accepted purchase offer for the property located at 100 Tower Rd, Winneconne. In the offer, we have a contingency to use the property to store our possessions inside of the building. I plan to put the adjoining lot up for sale. The sellers had used the property for manufacturing pizzas. The manufacturing at this property stopped years ago. The sellers have spent a considerable amount of money to have the freezers removed. I have also spent a considerable amount of money having plans drawn up to meet the Winneconne inspector's requirements.

We are set to close on this property in May. In light of some new issues that were brought to my attention, that will not be allowed to happen.

I will be appearing in front of the Board so my concerns can be addressed. I hope to come to a prompt conclusion regarding this matter.

Sincerely,

Robert Haak
